The Visitor Centre interprets the heritage of both the 20th century Tamar Bridge and Brunel's iconic 19th century Royal Albert Bridge. You can find out how they manage and monitor the road bridge, the Saltash Tunnel and the tolling system in order to keep traffic moving smoothly and provide safe, reliable and efficient crossings of the river. After the tour we will go for lunch at Endsleigh Garden Centre.

Watch live glassmaking in action and marvel at one of the biggest marble runs in the UK. There are also four small museums of marbles, pottery, glass and games. It is fully accessible apart from the shop. It has a cafe for lunch and loos.

**Thursday 10 December. Kent's Cavern + Jack's Patch Garden Centre. £32pp.** The caves give an amazing insight into Ice Age life and an opportunity to see naturally formed chambers, stunning geological formations and to walk through an underground world that was home to Europe's first humans. The cave tour is 1 hour long and you will be standing or walking during this time. You need to be able to manage 9 steps as well as 2 slopes that have handrails. There is also a café and loos.
